

The Lord is slowly but steadily being expelled from every public venue.

It started in the public schools, and has spread to public places, court houses, removed from the front of our coins and put along the edge, our Pledge of Allegiance, and on it goes to the point where today we are fighting battles about what we can say in the church and in public!

It is no longer just about the Separation of Church and State but the Separation of America from the God Who founded her and has so blessed her!

AMERICA IS TURNING HER BACK ON GOD!

BACK TO GOD

We look back on all the changes that have taken place since our country was first founded. Look how far our country has fallen from these principles! Our country was founded on the principles of the **Word of God!** It is time to put **God** back into our nation. **Stand up and Praise the Lord** for all he has given to our nation and how he has **Blessed America!**

“If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.”

2 Chronicles 7:14
